CODE REFINERY

31

WHO IS IT FOR

If you are writing code that is used in research, then this workshop is for you!

FORMAT

Interactive 6 half-day event. We meet at above mentioned location to watch the stream and do exercises together (support available).

GOALS

Get familiar with good enough research software development tools and practices (git (and GitHub), Jupyter, reproducible environments, CI, testing, containers, ...).

FURTHER INFO

This workshop is **free of charge**, but **please register**!
