CODE REFINERY

📅 31

📍 **Online, streamed:** *twitch.tv/coderefinery*

WHO IS IT FOR

If you are writing code that is used in research, then this workshop is for you!

FORMAT

Interactive 6 half-day event. You can join on your own, watch together with a team or join an in-person room (only some locations).

GOALS

Get familiar with good enough research software development tools and practices (git (and GitHub), Jupyter, reproducible environments, CI, testing, containers, ...).

FURTHER INFO

This workshop is **free of charge**, but **please register**!
